

Dear parent/carer,

There are a plethora of GCSE Revision Guides on offer for students. Consequently, a number of parents have asked for support in terms of which revision guide Wade Deacon staff would recommend. Below is a list of revision guides that subject leaders recommend for the demands of the forthcoming GCSE examinations. We are not suggesting you purchase them all, but via discussion with your child you may decide which subjects may benefit from extra form of support. This is in addition to the revision materials that the school provides to students in lessons and via publishing them on Wade Deacon's Revision website [www.letsrevise.net](http://www.letsrevise.net). NB: The Revision Guides for Maths, Science and Geography have already been shared with the pupils.
